PICASSO clarío™

With the launch of Picasso Clario™ in 2018, AMD Lasers once again revolutionized the dental market. Picasso Clario is the first diode laser specifically designed for dental hygienists and it sports a symbolic purple color. The streamlined navigation and pre-set parameters based on diagnosis facilitate simple, controlled, and appropriate use of the laser for hygiene treatments. Portable and affordable, Picasso Clario puts the power and art of laser in the hands of the hygienist.

PICASSO CLARIO™ Diode Laser Kit
